

Privacy

This privacy policy applies to users in every country and region worldwide.

Please read this Privacy Policy carefully before using any products or service operated by us.

This page informs you of our policies regarding the collection, use and disclosure of personal data when you use our Service and the choices you have associated with that data.

We use your data to provide and improve the Service. By using the Service, you agree to the collection and use of information in accordance with this policy. Unless otherwise defined in this Privacy Policy, the terms used in this Privacy Policy have the same meanings as in our Terms and Conditions.

INFORMATION COLLECTION AND USE

We collect several different types of information for various purposes to provide and improve our Service to you.

Types of Data Collected

Personal Data:

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("Personal Data"). Personally identifiable information may include, but is not limited to, e-mail address, cookies, and usage data.

We may use your Personal Data to contact you with newsletters, marketing or promotional materials and other information that may be of interest to you. You may opt out of receiving any, or all, of these communications from us by following the unsubscribe link or the instructions provided in any email we send.

Usage Data:

When you access the Service, we may collect certain information automatically (“Usage Data”), including, but not limited to IP address, operating system, unique device identifiers, application debug information, user interaction events, and browsing behavior on C&DS-owned websites.

Tracking Cookies Data:

We use cookies and similar tracking technologies to track the activity on our Service and we hold certain information.

Cookies are files with a small amount of data which may include an anonymous unique identifier. Cookies are sent to your browser from a website and stored on your device. Other tracking technologies could also be used such as beacons, tags and scripts to collect and track information and to improve and analyse our Service.

You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some portions of our Service.

Examples of Cookies we use:

Session Cookies. We use Session Cookies to operate our Service.

Preference Cookies. We use Preference Cookies to remember your preferences and various settings.

Security Cookies. We use Security Cookies for security purposes.

USE OF DATA

- The collected data are used for various purposes:
- To provide and maintain our Service
- To notify you about changes to our Service
- To allow you to participate in interactive features of our Service when you choose to do so

- To provide customer support
- To gather analysis or valuable information so that we can improve our Service
- To monitor the usage of our Service
- To detect, prevent and address technical issues
- To provide you with news, special offers and general information about other goods, services and events which we offer that are similar to those that you have already purchased or enquired about unless you have opted not to receive such information

LEGAL BASIS FOR PROCESSING PERSONAL DATA UNDER THE GENERAL DATA PROTECTION REGULATION (GDPR)

If you are from the European Economic Area (EEA), legal basis for collecting and using the personal information described in this Privacy Policy depends on the Personal Data we collect and the specific context in which we collect it.

Your Personal Data may be processed because:

We need to perform a contract with you

You have given us permission to do so

The processing is in our legitimate interests and it is not overridden by your rights

To comply with the law

RETENTION OF DATA

Your Personal Data will be retained only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes and enforce our legal agreements and policies. Usage Data will also be retained for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to

improve the functionality of our Service, or we are legally obligated to retain this data for longer periods.

TRANSFER OF DATA

Your information, including Personal Data, may be transferred to - and maintained on - computers located outside of your state, province, country or other governmental jurisdiction where the data protection laws may differ from those of your jurisdiction.

If you are located outside the European Economic Area and choose to provide information to us, please note that we transfer the data, including Personal Data, to the European Union Area and process it there.

Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer.

All steps reasonably necessary will be taken to ensure that your data is treated securely and in accordance with this Privacy Policy and no transfer of your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of your data and other personal information.

DISCLOSURE OF DATA

Business Transaction

Your Personal Data may be transferred for the purpose to deliver and improve our services. You will be notified when it becomes subject to a different Privacy Policy.

Legal Requirements

Your Personal Data may be disclosed in the good faith belief that such action is necessary to:

- To comply with a legal obligation
- To protect and defend our rights or property

- To prevent or investigate possible wrongdoing in connection with the Service
- To protect the personal safety of users of the Service or the public
- To protect against legal liability

SECURITY OF DATA

The security of your data is important to us but remember that no method of transmission over the Internet or method of electronic storage is 100% secure. While we strive to use commercially acceptable means to protect your Personal Data, we cannot guarantee its absolute security.

YOUR DATA PROTECTION RIGHTS UNDER THE GENERAL DATA PROTECTION REGULATION (GDPR)

Reasonable steps will be taken to allow you to correct, amend, delete or limit the use of your Personal Data and we will comply with any data deletion request regardless of country or region.

If you wish to be informed about what Personal Data we hold about you and if you want it to be removed from our systems, please contact us at ***info@cdsimulations.com***.

In certain circumstances, you have the following data protection rights:

- The right to access, update or request deletion the information we have on you. Whenever made possible, you can access, update or request deletion of your Personal Data. To perform these actions, please contact us to assist you.
- The right of rectification. You have the right to have your information rectified if that information is inaccurate or incomplete.
- The right to object. You have the right to object to our processing of your Personal Data.
- The right of restriction. You have the right to request that we restrict the processing of your personal information.

- The right to data portability. You have the right to be provided with a copy of the information we have on you in a structured, machine-readable and commonly used format.
- The right to withdraw consent. You also have the right to withdraw your consent at any time where your consent is relied to process your personal information.

Please note that we may ask you to verify your identity before responding to such requests.

You have the right to complain to a Data Protection Authority about our collection and use of your Personal Data. For more information, please contact your local data protection authority in the European Economic Area (EEA).

SERVICE PROVIDERS

We may employ third party companies and individuals to facilitate our Service ("Service Providers"), provide the Service on our behalf, perform Service-related services or assist us in analysing how our Service is used.

These third parties have access to your Personal Data only to perform these tasks on our behalf and are obligated not to disclose or use it for any other purpose.

Google Analytics

We may use Google Analytics to gain insights about user interactions on our website. This information may be connected to other user account information we have on file.

Firebase

Firebase is an analytics service provided by Google Inc.

You may opt-out of certain Firebase features through your mobile device settings, such as your device advertising settings or by following the instructions provided by Google in their Privacy Policy: <https://policies.google.com/privacy?hl=en>

We also encourage you to review the Google's policy for safeguarding your data:
<https://support.google.com/analytics/answer/6004245>

For more information on what type of information Firebase collects, please visit the Google Privacy Terms web page: <https://policies.google.com/privacy?hl=en>

LINKS TO OTHER SITES

Our Service may contain links to other sites that are not operated by us. If you click a third party link, you will be directed to that third party's site. We strongly advise you to review the Privacy Policy of every site you visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

CHANGES TO THIS PRIVACY POLICY

We may update our Privacy Policy from time to time.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.

CONTACT US

If you have any questions about this Privacy Policy, please contact us at info@cdsimulations.com.

TERMS and DEFINITIONS

Service is any product operated by us.

Personal Data means data about a living individual who can be identified from those data (or from those and other information either in our possession or likely to come into our possession).

Usage Data is data collected automatically either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).

Cookies are small files stored on your device (computer or mobile device).

Data Controller means the natural or legal person who (either alone or jointly or in common with other persons) determines the purposes for which and the manner in which any personal information are, or are to be, processed.

For the purpose of this Privacy Policy, we are a Data Controller of your Personal Data.

Data Processor (or Service Provider) means any natural or legal person who processes the data on behalf of the Data Controller.

We may use the services of various Service Providers in order to process your data more effectively.

Data Subject (or User) is any living individual who is using our Service and is the subject of Personal Data.
